Who is a Medicare Ineligible Patient?

A Medicare Ineligible Patient is someone who does not hold a valid Medicare Card, is not an Asylum Seeker or is not a visitor from a country that has a Reciprocal Health Care Agreement with Australia.

As a Medicare Ineligible Patient, it is your responsibility to ensure that you have health insurance or adequate funding to cover the cost of both you and your baby's health care.

- **Reciprocal Rights-**
The Australian Government has Reciprocal Health Care Agreements (RHCA) with the governments of the United Kingdom, New Zealand, Republic of Ireland, Sweden, The Netherlands, Finland, Belgium, Norway, Slovenia, Malta* and Italy*
* Medically necessary subsidised health care for a period of up to six months from the date of arrival to Australia.
- **Asylum Seeker or Refugee**
Asylum Seekers and Refugees are provided with free medical care (including diagnostic services) in Victorian Hospitals. An Asylum Seeker is someone who has applied for refugee status and is awaiting a decision on their application.

Will I have to pay for my health care whilst at Northern Health?

OUTPATIENT APPOINTMENTS & EMERGENCY ATTENDANCES

All outpatient appointments must be paid in full at the cashiers' office prior to your visit. Northern Health will provide you with a receipt that you may take to your health fund to request a claim reimbursement.

The amount you will get back from your health fund will depend on your health insurance policy.

INPATIENT ADMISSIONS

Providing that a 100% guarantee of payment can be obtained from your nominated Australian Health Fund provider, we will invoice your bed fee and treatment costs to your nominated health fund.

You will be liable and must pay any shortfall in payment between the amount charged and the amount paid by your health fund.

If you do not hold a valid Australian Health Insurance policy or whereby a payment guarantee cannot be obtained, you will be required to pay the full cost of your admission and treatment fees.

Patients who hold Overseas Travel Insurance are required to pay the full cost of their hospital accommodation and treatment fees at the time of admission. Northern Health will provide you with a receipt that you may take to your Travel Insurance provider to request a claim reimbursement.
