

Northern Health

Dear Colleague

Welcome to Northern Health!

On behalf of the senior medical staff group at Northern, we would like to invite you to join the Senior Medical Staff Association (SMSA). The Association strives to proactively be involved in all issues affecting not only our patients, but also the industrial relations, working conditions and wellbeing of our senior staff. We believe that we offer a powerful voice for senior medical staff within the hospital, but also to the wider community and to government when required.

Our funding is derived from an automatic fortnightly deduction of only \$3 per member. These funds are used to pay for catering at our monthly meetings, social events and supporting relevant Northern Health events.

Should you be interested in joining the Senior Medical Staff Association and contribute financially as described above, please complete the next page and return this to the Senior Medical Workforce Unit with other sign-on documentation. Once you are added to our database, you will receive notifications of meeting times, social events and updates via email.

We look forward to seeing you at our next meeting!

Senior Medical Staff Association Executive

Northern Hospital
