

Please join us in making a difference

Northern Health is looking for community members to join the Blood Management Committee that provides safe, appropriate and effective use of blood and blood products for patients.

We welcome **two people** who would like to be involved in *contributing their ideas* to meet patient's and carer's information needs and ensure that they are actively involved in decisions about their care.

**Clinical skills are not essential
Support and training will be provided**

To apply, contact: **Sherrilyn Ballard**, Consumer Participation Coordinator

Phone: 9495 3313

Email: consumerparticipation@nh.org.au
