Statements including;

1. Organisation and Functions
2. Categorise of Documents
3. Freedom of Information Arrangements
4. Publications
5. Rules, Policies and Procedures
6. Reports

Organisation and functions

Northern Health is a public health service pursuant to the *Health Services Act 1988* (VIC). Northern Health is the major provider of acute, maternity, sub-acute and specialist services in Melbourne's rapidly growing outer north.

The Northern Health Board of Directors, provide effective governance in the achievement of Northern Health's stated objectives. Ensuring compliance and achievement of the objectives are facilitated through the number of established Sub-Board Committees whom report directly to the Board.

Information regarding the Board, Sub-Board Committees and Northern Health is available at www.nh.org.au.

Services are provided through four main campuses:

Northern Hospital, Epping
Broadmeadows Hospital
Bundoora Centre
Craigieburn Centre.

Categories of Documents

Northern Health holds documents in paper and electronic forms.

To perform the operational and administrative processes, Northern Health creates, maintains and stores documents which may include both personal and health information, some examples of these are, including but not limited to;

- Medical Records
- Employee Records
- Policies and Procedures
- Reports
- Financial Records
- Committees Documentation (Agenda and Minutes)

Freedom of Information Arrangements

Northern Health complies with the Freedom of Information Act 1982(VIC) “the Act” and handles all requests accordingly.

The Act allows the public to request access to any document held by Northern Health, or to request their information to be amended if they feel the information is out of date, inaccurate, incomplete or where it would give a misleading impression.

The public who wish to request any document(s) from Northern Health have a number of ways in which the application can be placed; in writing, via post or email, online via the website, or by speaking with the treating clinical team.

Further information is available to the public on how to request documents/information from Northern Health on its website – www.nh.org.au under the Freedom of Information (FOI) page.

All applications, or questions regarding the Freedom of Information Act can be addressed to;

Freedom of Information
Northern Health
