☐ 3. Fellowship

FF	^ ^		\sim	$\overline{}$	$\overline{}$
 	<i>-</i> /\	NI /		11	-

- ☐ FRACGP plus Significant Hospital Experience as an Antenatal Care Provider Please include details in your CV. Applications for credentialing will be considered on an individual basis for GPs who can demonstrate significant hospital experience/qualifications/professional development/ credentialing in the provision of antenatal care.
- ☐ FRACGP plus Hospital Antenatal Clinic Attendances and other training as determined GPs with a FRACGP who do not meet the postgraduate/experience requirements may apply for credentialing after undertaking training determined by the assessing medical practitioner at one of the four hospitals. You will be contacted after this application is assessed regarding the requirements. This may consist of one or a selection of the following:
 - Attendance at antenatal clinics+ at one of the hospitals, with at least one of these sessions undertaken at a primary hospital site.
 - SMCC Questionnaire in preparation for antenatal clinic attendance
 - RACGP GP Learning category 1 online activity Antenatal Postnatal Shared Care
 - Other training (e.g. RACGP CHECK program, attendance at workshops etc.)

Following clinic attendances, with the approval of the supervising obstetrician, and the satisfactory completion of any other requirements the application for Shared Maternity Care Affiliation will be processed.

*the usual requirement is for attendance at 2- 6 clinics

A tour of the hospital may be required if you are not familiar with the service. If this is assessed as being required, you will be notified.

Applications will not be processed without copies of <u>all</u> supporting documents.

SECTION F. Agreement

As a Shared Maternity Care Affiliate of Mercy Hospitals Victoria Limited, The Royal Women's Hospital, Western Health and Northern Health, I agree to <u>all</u> of the following undertakings:

- · I will review the hospitals guidelines for shared maternity care affiliates available via hospital websites
- I will observe hospital guidelines in respect of mutual patients, including criteria for hospital review/referral and sharing investigation results and management
- A copy of this form will be readily available at my practice for administration and other staff
- I will participate in appropriate continuing professional development for the provision of shared maternity care
- I will ensure the hospitals have up to date preferred contact information (telephone, facsimile, postal address)
- I will ensure the facsimile number given applies to a machine that is in a private location and procedures for handling patient information comply with privacy principles and legislation
- My Medical Registration is current and without conditions and I will notify the hospitals if my registration is suspended, cancelled or has restrictions imposed
- My Medical Indemnity Insurance will be maintained at an adequate level of cover for the duration of my participation in shared maternity care
- I will keep appropriate clinical records and document care in the patient handheld record (e.g. Victorian Maternity Record)
- I will make appropriate arrangements for continuing care with an accredited Shared Maternity Care Affiliate or the hospital where the woman is booked for birth when I am on leave or ill
- I acknowledge the hospitals conduct research activities and quality assurance programs and that Shared Maternity Care Affiliate or patient participation may be requested
- I authorise the hospitals and their General Practice Liaison Units/Shared Care teams to discuss details of my provision of shared maternity care, both within the hospitals and between hospitals
- · I authorise the hospitals to exchange details about my credentialing, including contact details
- I authorise the hospitals to publicly publish and provide women and their families with my practice details, and languages spoken
- I will not provide intrapartum care for women who are booked for maternity care or undertaking shared maternity care with the hospitals (unless employed by the health service to provide intrapartum care)
- I understand that Shared Maternity Care Affiliates found not to be adhering to guidelines and acceptable standards of quality of care may have their credentialing status reviewed and revoked
- For general practitioners: I confirm that I undertake shared maternity care with the hospitals whilst working
 from a practice accredited against the RACGP Standards for general practice, and will inform the hospitals
 if I am no longer working at a practice that is currently accredited against the RACGP Standards for
 General Practice

I confirm that the information contained and provided in this agreement (section F).	d is true and accurate and agree to the undertakings listed
Name:	Signature:
Date:	

Please return this form and documents to the <u>one hospital that is closest to your practice</u> (even if requesting credentialing at multiple hospitals)

The requirements in this application are consistent with Safer Care Victoria: Credentialing and scope of clinical practice for senior medical practitioners policy, January 2018: https://www2.health.vic.gov.au/-/media/health/files/collections/policies-and-guidelines/c/credentialingscope-clinical-practice-senior-medical-practitioners-policy-january-2018---pdf.pdf
