

Please join us in making a difference

Northern Health is looking for a community member to join the Medication Safety Committee that helps to provide safe, effective use of medications with a person centred care focus.

Are you interested in sharing your ideas to improve medication safety in the organisation and meet patient and carer information needs?

Our staff will support you to join meetings online and participate from the comfort of your own home.

**Clinical skills and experience are not essential
Support and training will be provided**

To apply, contact: **Sherrilyn Ballard**, Consumer Participation Coordinator

Phone: 9495 3313

Email: consumerparticipation@nh.org.au
