

Please join us in making a difference

Northern Health is looking for two community members to participate on our Infection Prevention Committee, to join staff in working to reduce harm, improve hospital systems and achieve good health outcomes for patients.

If you enjoy working with others, have a passion for improving patient experience and are willing to share ideas, we would love to hear from you!

During COVID-19, our staff will support you to join meetings online and participate from the comfort of your own home.

**Clinical skills are not essential
Support and training will be provided**

To apply, contact: **Sherrilyn Ballard**, Consumer Participation Coordinator
