

Northern Health engages Consumers from our Community in Quality Improvement activities

We are seeking consumers to volunteer their time to engage with staff on the following working groups and projects. *You can contribute by having a voice about what is important to patients and families when receiving health care to make sure it is delivered with the patient at the centre of everything we do.*

Vacancies:

Respiratory Community Reference Group, will provide a community perspective on improving respiratory services and care for patients.

Consumer Literacy Evaluation & Review Group (CLEAR), reviews patient information brochures in their development to be consumer friendly.

ISS Food Services Tasting Sessions, Monthly at the Northern Hospital (on hold due to COVID-19)

Executive Patient Safety Walk Arounds, Monthly (on hold due to COVID-19)

Time commitment for the above activities would be approximately 2 hrs per meeting.

Note: (committees and working groups meet monthly, or bi-monthly.)

These are voluntary positions, with support for expenses, including childcare.
